

THE VICE PRESIDENT
WASHINGTON

September 10, 1968

Dear Dr. Squirru:

I appreciate very much your splendid letter of September 5. I remember very well our conversation on the airplane going to the opening dinner of the Center for Inter-American Relations in New York last September. As I am somewhat familiar with the excellent work you have done in the cultural field, I am all the more pleased to see this expression of confidence. I shall try to merit that confidence in the weeks ahead.

Best wishes,

Sincerely yours,

Hubert H. Humphrey
